

We are going nut-free because someone said to.

- **NO NUT PRODUCTS**
- **DO NOT SAY "PEANUT"**
- **PEANUTS WILL KILL US ALL**

mediocre artist's rendition

IF YOU SEE A PEANUT:

Remain calm!

Peanuts sense fear and may attack.

Be Pro-Active!

Cover children with cellophane and wax.

Don't Be A Hero!

Hide and wait for the authorities.
