GENTLEKILL™ ANIMAL SHELTERS, LLC

SEVENTH ANNUAL HOLIDAY ADOPTATHON!

There's no better time to adopt a cat than at GentleKill's Seventh Annual Adoptathon. Last year 1,232 adorable kitties were spared the euthanist's prickly needle! We're hoping to double that number this year - but it's all up to you!

We open our doors exactly at 8 a.m. on Saturday morning and stay open throughout the entire weekend – so no excuses for not dropping by! Doors close Sunday at 11 p.m. – good news for our soon-to-be-sleepy staff, but bad news for any l'il kitties left behind ☹. We're hoping for the best turnout ever this year as, because of the economy, our shelter is absolutely stuffed to the rafters with adorable little (and big!) cats of all shapes, sizes, ages and breeds. The clock is ticking - hope to see you there!!!
